## The KETOlicious™ Taste Sensation!

Whether it's for weight loss, overall health or blood sugar control, millions of people have adopted a low-carbohydrate, low-glycemic diet. KETOslim® fits that dietary lifestyle by supplying plenty of energizing **superior quality protein** in every serving, along with a complete array of **Critical Keto-Nutrients** that help replenish nutrient reserves depleted by low-glycemic lifestyles. With **KETOslim Bars**, you don't sacrifice flavor or enjoyment just to maintain your low-glycemic diet!

### KETOslim Bar

**KETOslim Bars** provide energy and powerful, targeted nutrition designed for everyday use or for use with virtually any weight loss diet.

Chocolate Almond Crunch **KETOslim Bars** help replenish the vital nutrients your body demands for energy and total well-being: vitamins, minerals, and critical phytonutrients. **And because KETOslim Bars are not glycerin-based, they deliver the taste you crave without the bitter aftertaste that plagues most other low-glycemic bars.**

Nature's Plus starts with a delicious blend of chocolate and velvety smooth almond butter, then highlights it with enticingly crunchy almond slices and protein crisps, made from whey protein plus Tri-Part Protein, for a natural, irresistible texture. Each bar is then enveloped in a creamy chocolate coating, sure to please even the most discerning low-glycemic dieter.

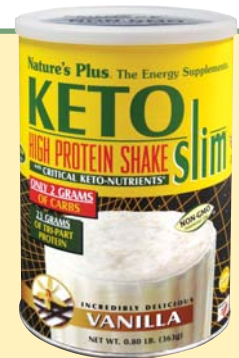

- Every delicious KETOslim bar has only 2 grams of net impact carbohydrates\* and 21 grams of whey protein and Tri-Part Protein from rice, pea and soy.
- KETOslim Bars are ideal, quick and delicious meals for those following a low-glycemic or diabetic lifestyle and for those committed to weight management programs focusing on a high-protein approach.
- KETOslim Bars are delicious, satisfying, and supply a broad range of critical nutrients, including key vitamins and minerals and metabolic enhancers such as CitriMax®.
- Naturally delicious KETOslim Bars include nutritional reinforcements: a proteolytic enzyme blend, spirulina, carnitine, and a whole food blend combining dozens of fruits and vegetables, such as broccoli, spinach, apple and apricot.
- KETOslim Bar is the first delicious, mouthwatering bar for the low-glycemic lifestyle that is convenient and designed for everyday use.
- Replenish your essential nutrient reserves and enjoy a mouth-watering, sumptuous flavor indulgence TODAY with **KETOslim Chocolate Almond Crunch Bar**.

Each **KETOslim Bar** and every **KETOslim Shake** is so incredibly delicious, you would never guess it has **only 2 grams of net impact carbohydrates!**\*

Enjoying delicious **KETOslim Shake** and **Bar** is not just a treat; not merely a mouthwatering, sumptuous flavor indulgence. Each bar and every shake supplies vital nutrients from whole food concentrates derived from nature's premier sources: the wholesome goodness of more than 45 fruits, vegetables and nutrient-rich green goods. Enjoy **KETOslim Shake** and **KETOslim Bar** and improve your energy, vitality and overall health today!

### KETOslim Shake

**KETOslim Shake** also provides energy and powerful, targeted nutrition designed for everyday use or for use with virtually any weight loss diet. And just like the KETOslim Bar, **KETOslim Shake** will help replenish the vitamins, minerals, and critical phytonutrients your body demands, providing revitalizing energy and supporting total well-being.

All-natural **KETOslim Shake** is a precisely calibrated, high protein source of energy and potent, targeted nutrition designed for everyday use or as a sumptuous indulgence. Either way, you can satisfy your sweet vanilla flavor craving and replenish the vital, energizing nutrients your body demands with **KETOslim Vanilla Shake!**

- KETOslim Shake has only 2 grams of carbohydrates and 23 grams of vegetarian Tri-Part Protein, including 7.6 grams of non-GMO isolated soy protein, in every delicious serving.
- KETOslim Shake is an ideal quick meal or snack to complement a low-glycemic or diabetic lifestyle.
- KETOslim Shake supplies a broad range of Critical Keto-Nutrients, including key vitamins, minerals and metabolic enhancers, such as CitriMax®.
- KETOslim Shake includes nutritional reinforcements: a proteolytic enzyme blend, spirulina, critical flora, carnitine, and a whole food blending combining dozens of fruits and vegetables, like broccoli, spinach, apple, and apricot.
- KETOslim Shake is very convenient, easy to prepare and designed for everyday use.
- Satisfy your sweet vanilla craving and replenish the vital, energizing nutrients your body demands TODAY with **KETOslim Vanilla Shake!**

\*Net impact carbohydrates are those carbohydrates that are actually absorbed and metabolized by the body. The zero net impact carbohydrates are only minimally absorbed, and are passed from the body without having been metabolized.
