

TRY ONE

of our most delicious and refreshing

 Smart Juices

Organic Orange Juice

Eat Smart Organics Orange Juice has used only 100% organically grown oranges which have been gently squeezed to extract all the wholesome goodness. It is especially refreshing in the morning or on a hot summers' day. A source of energy that is cholesterol free, virtually fat & sodium free and is rich in vitamin C.

Ingredients: 100% Organic Orange Juice, GM free Ascorbic Acid, Citric Acid

Organic Lemonade

Eat Smart Organics Lemonade has used only 100% organically grown lemons which have been gently squeezed to extract all the wholesome goodness. It is especially refreshing and can be enjoyed at all times of the day. A source of energy that is fat, cholesterol & sodium free and is rich in vitamin C.

Ingredients: Water, 100% Organic Lemon Juice, 100% Organic Sugar, GM free Ascorbic Acid, Citric Acid

Organic Blueberry Lemonade

Eat Smart Organics Blueberry Lemonade uses only 100% organically grown blueberries and lemons which have been gently squeezed and blended to extract, mix and maximize the goodness and flavor. It is popular with children and adults alike. A source of energy that is fat, cholesterol & sodium free and is rich in vitamin C and antioxidants.

Ingredients: Water, 100% Organic Lemon Juice, 100% Organic Sugar, 100% Organic Blueberry Pulp, GM free Ascorbic Acid, Citric Acid
